

**APPLICATION TO THE COMBINED BACHELORS/MPS CYBERSECURITY PROGRAM**  
**STUDENTS FROM OUTSIDE COEIT**

INSTRUCTIONS TO APPLICANT: Submit this form, unofficial transcript, the Accelerated Bachelors/Masters Application (found on the UMBC Graduate School website) and your supplemental statement to your Undergraduate Advisor for preliminary review. They will route the application to the Cybersecurity Graduate Program Director for final review.

Students in at least their junior year from outside the College of Engineering and Information Technology who have an overall GPA of 3.0 are eligible to apply to the Accelerated Bachelors/MPS CYBR program via the Graduate Certificate in Cybersecurity: Strategy and Policy option. If admitted, you may take CYBR 620, 621, 622, and/or 623 to begin your graduate cybersecurity studies while still an undergraduate student. *Non-COEIT students who believe they are qualified to pursue more technical cybersecurity opportunities should contact the CYBR GPD to discuss their interests.*

On a separate sheet, briefly explain why you are interested in the combined BS/MPS program and indicate any particular topics in cybersecurity that interest you. Please restrict your statement to approximately 200 words.

**Undergraduate Approval**
